You decline to do so?

Sir, you have been electronically stalking me for the past 3 days with your nuisance emails while I have been at work. You demanded to meet when I was work.

Ok, so I will file a motion to quash. You're out of line and you have Crossed the line with this predatory behavior.

Dad, please hire an attorney to get out of this deposition. Do NOT agree to anything this crazy man says.

Mr. Hardin.

Before you begin harassing my witnesses, aka my family, I am going to need to see a list of questions you intend to ask. Pronto. If the questions are irrelevant, I will be filing a motion to quash.

I provided the witnesses in good faith, not for them to be harassed . I was given no notice of your intent with this.

If I do not receive a list of questions you intend to ask by Monday the 23rd, I will be filing a motion to quash your predatory actions
